

Looking for a great holiday job?

Klub Group Adventure are recruiting enthusiastic, fun-loving and adventurous people for its UK outdoor centres over Easter and summer! Klub Group is one of the largest established outdoor activity providers for children in the UK and Europe and we offer extremely competitive wages to all our staff.

Activity Staff

No experience required! We specialise in a large range of activities such as abseiling, quads, climbing, archery, kayaking, bouldering and the list goes on! But if that's not your thing, then perhaps your talents lie with arts and crafts, talent shows or team sports? We will provide all the in-house and National Governing Body training you will need to run activity sessions, as well as certain additional awards including First Aid and Good Practice in Child Protection.

So if the thought of working in an office or waiting tables doesn't appeal to you, but being outdoors having fun with kids as part of a social team sounds like a great experience, then make sure you get in touch with us by applying on line at www.kgadventure.com or contact Graham on 01449 778293, graham.thomas@klubgroup.com.
